

About me

Personal Profile

My name is Israel Capetillo. I have a bachelor's degree in Computer Systems, and have been involved in the development and management of desktop applications for Windows, web development, IT management, IT training and college teaching for the past 18 years. for companies such as Hewlett-Packard, Dextra Technologies, IT Impact, InAllMedia, CompuCom, Tiempo Development, United Airlines, Tech Mahindra, and as a teacher for Centro Universitario de Negocios del Bajío

Current Project

I have been a part of Tech Mahindra (formerly Digital OnUs) since February 2020, and I have been a part of the EY-GTP Project since the beginning. I started out in my team as a Senior .NET Software Engineer and then moved to the Scrum Master Role after 1.5 years. I have also been the Business Analyst of my team since January 2023 and will be acting Product Owner for at least one month next August. I have also been a mentor, an interviewer and I am currently the Anchor for the Development Practice within Tech Mahindra.

Certifications, Rewards and Achievements

I am a Certified Scrum Master since 2016 and also a Certified SAFe Scrum Master since 2021. I have been recognized within EY with the Star Recognition Award for going above and beyond as Scrum Master. As a result of my tenure as Scrum Master, my team has excelled in maintaining high standards of good practices and setting an example of how things are done for other teams.

Israel is a great SM who brings tremendous value into scrum ceremonies, builds up collaboration bridges, removes communication barriers, diligently follows-up on things timely and never shies away from accepting additional responsibilities. He has always gone above and beyond in coaching and on-boarding new team members.

-Sindhuja Raghavan, Product Owner, EY-GTP Team Aurora
